I did not receive your attachment. Do you have an FTP program on your computer? I could give you credentials to a server we have.

Matt, is it possible to reformat the file to look like the attached... that way we have a file that is only 61 pages, as compared to the ones you sent today, which are 6,700 pages... I don't think ADH and ADEQ will want to go through 6,700 pages of data...

This Email message contained an attachment named  
image001.jpg  
which may be a computer program. This attached computer program could

contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
